FAFSA Data Appeal Form Instructions

We understand that the FAFSA does not take into account all situations and some students have special circumstances that impact their ability to pay for college. In order to review these situations, we require certain documentation. Prior to submitting an appeal, please read the following information.

GRADUATE STUDENTS – this type of appeal is not beneficial to you as your financial aid options through our office are limited to student loans. Please contact our office to discuss other options.

- We may request more information after reviewing the required items listed on this form.
- The average processing time is 3 weeks.
- Please ensure that you provide all required documentation upon initial submission.
- Approval of an appeal does not guarantee additional aid.
- Appeals cannot be used simply to request more financial aid. Students must accept all aid offered including federal loans for appeal to be considered.

Reasons for Appeal:
Examples of appeal reasons include, but are not limited to the following:

- Unemployment of more than 4 weeks following job loss.
- Death of a student’s parent or spouse.
- The family has incurred extraordinary medical/dental expenses.
- The student’s parent is attending college at least half-time in a degree-seeking program.
- The student or the student’s parents have separated or divorced.
- The student or parent(s) no longer receives recurring income such as child support or other sources of income.
- The parent or student has received payment(s) of non-recurring income (i.e. 401(k) or IRA withdrawal) which were unavailable for educational expenses.

Deadlines:

- Appeals must be submitted by November 5, 2021 for students attending fall semester only.
- Appeals must be submitted by April 1, 2022 for students attending fall/spring or spring semester only.

Please include the student’s Virginia Tech ID (begins with 90xxxxxxx) on the top of each page.

Please review the attached FAFSA Data Appeal Form which lists the additional items for each type of appeal. **If you choose to pursue the appeal, please submit all required documents upon initial submission.**

(Please Note: We suggest using our secure document uploader or fax as a more secure method of delivery. Virginia Tech does not open email attachments.)
