## USFA Administered Scholarship Eligibility Terms and Condition

As a scholarship recipient, you must acknowledge and meet these criteria to maintain eligibility for VT scholarships awarded by the Office of University Scholarships and Financial Aid (USFA).

I agree to:

- File a [FAFSA](#) by the priority date, March 1 each year
- Complete verification, if selected
- Demonstrate need (for need based scholarships)
- Meet [Satisfactory Academic Progress \(SAP\)](#) requirements
- Maintain a cumulative GPA of 3.0 or higher (PSI, Clark, and Wilkins Scholars only)
- Remain continuously enrolled
- Enroll full time (12 hours) during Fall and Spring terms
- Earn at least 30 credits each academic year
- Not exceed my scholarship's maximum number of renewable years

If you do not meet these criteria, you will not receive your USFA administered scholarship in upcoming academic years.

Your scholarship type or amount can change. If you receive more aid or if your FAFSA data changes, your financial aid package will be adjusted according to federal, state, and institutional regulations.

The criteria listed above only apply to USFA administered scholarships and do not necessarily pertain to any college or departmental scholarships.

Read all messages associated with each of your scholarships in Financial Aid Self-Service to understand any additional criteria.
