Tax Document – Option #1 (preferred). Use IRS Direct Data Exchange (DDX) on the FAFSA:

As part of Federal student aid eligibility, parents will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the parents filed separate 2023 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

Tax Document – Option #2. Requesting a 2023 IRS Tax Return Transcript if info was not transferred via FA-DDX and considered verified:

If you use this option, write the student's name and ID on the transcript before submitting it to our office.

- IRS Online Tax Return Transcript Request <https://www.irs.gov/individuals/get-transcript>
- IRS Automated Phone Transcript Service 1-800-908-9946 (generally received within 10 business days)
- Get Transcript by Mail <https://www.irs.gov/individuals/get-transcript> (click get by mail)
- Paper Request Form IRS Form 4506T-EZ or IRS Form 4506-T

Tax Document – Option #3. Submit a signed copy of your filed 2023 Federal Tax Return along with all schedules.
