STUDENT - You are receiving this worksheet for one of the following reasons:

- You omitted asset information on the Free Application for Federal Student Aid (FAFSA); or,
- You made a change to the asset information after filing the original FAFSA.

The amounts you enter on this form should reflect the value of the asset on the **date you originally completed the FAFSA**. The information you provide on this form will be used to verify or correct the FAFSA. Our office will submit corrections electronically if necessary.

The only allowable changes to asset data after a FAFSA is filed are:

- Updates to provide omitted information; or,
- Updates to correct inaccurately reported assets as of the date you originally completed the FAFSA.

Changes that reflect asset amounts that have been reduced, spent, or increased since the date you originally submitted the FAFSA are not allowed.
