Re-establishing Federal Loan Eligibility after Total and Permanent Disability Determination

- You obtain a certification from a physician that you are able to engage in substantial gainful activity (on Page 2); and
- You sign a statement acknowledging that the new loan or TEACH Grant service obligation cannot be discharged in the future on the basis of any injury or illness present at the time the new loan or TEACH Grant is made, unless your condition substantially deteriorates so that you are again totally and permanently disabled.

*A borrower who received a TPD discharge based on a determination from Veterans Affairs that he or she is unemployable due to a service-connected disability is not subject to a monitoring period and is not required to resume payment on the discharged loan as a condition for receiving a new loan. Student must still provide physician's certification (on back of this form) and complete student acknowledgement section.

If I purposely give false or misleading information, I may receive a fine, a prison sentence, or both. By signing this form, I certify that all information is complete and correct.

****Physician's Certification is on Page 2.**
