

Academic Improvement at Virginia Tech

[The Student Success Center](#)

We are committed to providing holistic support services and programs that develop self-directed and lifelong learners within a diverse and inclusive environment.

[Academic Services](#)

The Student Success Center's Academic Services help students develop the academic and personal skills needed to become successful, independent learners. From course-specific tutoring support to generalized academic skill-building, our peer-led programs are for all students who want to improve their academic performance, no matter where they start.

[Tutoring](#)

[Services for Students with Disabilities](#)

Services for Students with Disabilities (SSD) is here to serve students who have or think they may have disabilities. The department provides numerous accommodations, services, and resources for students with disabilities and temporary injuries or illnesses.

[Cooks Counseling](#)

Cook Counseling Center seeks to provide a safe, welcoming, and affirming environment for all persons who seek our [services](#).

[Schiffert Health Center](#)

Schiffert Health Center is Virginia Tech's on-campus health care center.

Our clinical staff of 13 doctors, nurse practitioners, and physician assistants administer care for a wide range of medical concerns. With a travel clinic, women's clinic, nutrition clinic, and allergy and immunization clinic as well as a radiology department, laboratory, and pharmacy, Schiffert Health Center can easily address all of your health care needs.
